

Set Orbit BY ANTMANFITNESS

YOUR CLIENT GUIDE

WELCOME TO SET ORBIT

Your workouts, food, check-ins, progress and a direct line to me. All in one app on your phone.

Takes about 10 minutes to set up. Keep this guide handy and come back anytime.

COACH KRISHNA MANSUKHANI

WWW.ANTMANFITNESS.COM

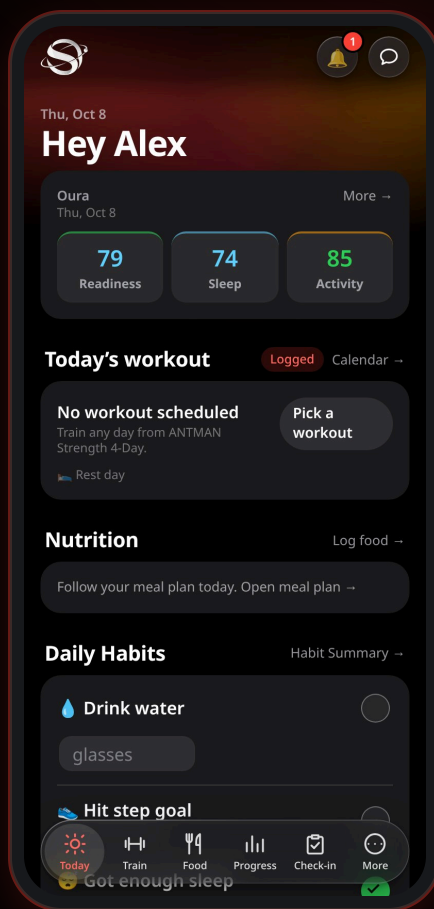

Screens in this guide use made-up sample data (sample client "Alex Sample").

START HERE

YOUR FIRST 10 MINUTES

Six simple steps and you're training. Here's the whole path.

- 1 Add it to your home screen**
One tap opens Set Orbit like a real app. Page 3.
- 2 Sign in**
Use the email and password from my invite. Page 4.
- 3 Take the quick tour**
The starter guide pops up the first time. Page 5.
- 4 Fill out your consultation**
Your goals, training, food and health. Page 6.
- 5 Sign your agreement**
Read it and sign with your finger. Page 7.
- 6 Train, eat, check in**
Your plan is ready. Pages 8 to 15.

Today: your home screen

THE BOTTOM BAR

TODAY

Your home screen: workout, food, habits, check-in

TRAIN

Today's workout and set logging

FOOD

Meal plan, food diary, recipes

PROGRESS

Weigh-ins, graphs, photos, badges

CHECK-IN

Your weekly update with photos

MORE

Onboarding, Check-in History, Settings

Up top: the **bell** holds your reminders and the **chat bubble** opens Messages with me.

Scan to open Set Orbit

Point your phone camera here, open the link, then follow page 3 to add it to your home screen.

antmanfitness.github.io/antman-coaching-web

STEP 1 · SET UP

PUT SET ORBIT ON YOUR HOME SCREEN

No app store needed. It installs right from the link I send you.

IPHONE Safari

- 1 Open the link in Safari**
antmanfitness.github.io/antman-coaching-web
- 2 Tap Share** 
The square with the arrow, at the bottom of Safari.
- 3 Tap "Add to Home Screen"**
Scroll down the menu if you don't see it.
- 4 Tap Add**
Done. Open Set Orbit from your new icon.

ANDROID Chrome

- 1 Open the link in Chrome**
Same link, any Android phone.
- 2 Tap the menu** 
The three dots, top right.
- 3 Tap "Add to Home screen"**
Some phones say "Install app".
- 4 Tap Install or Add**
The Set Orbit icon lands on your home screen.

Notes

Your new Set Orbit icon (illustration)

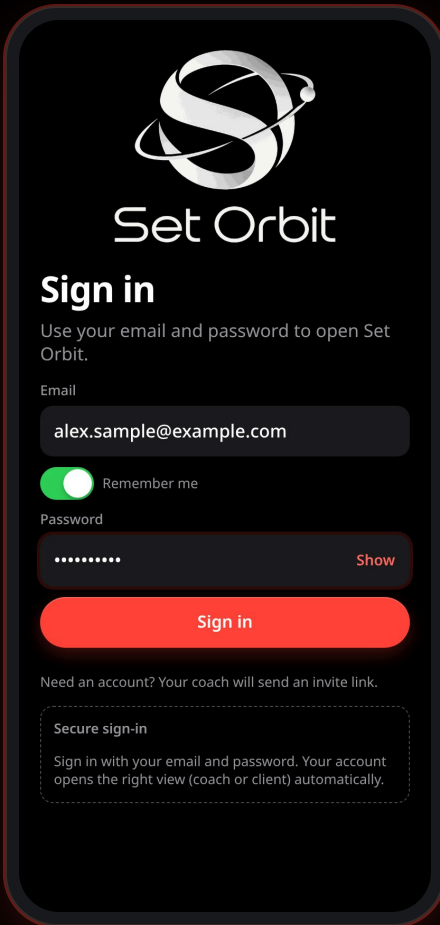

PRO TIP Open Set Orbit from the icon, not a browser tab. It feels like an app, and on iPhone it's the only way to get lock-screen notifications.

What you'll see when it opens

STEP 2 · SET UP

SIGN UP AND LOG IN

I'll send you an invite with your login email and a temporary password.

Set Orbit

Sign in

Use your email and password to open Set Orbit.

Secure sign-in

Sign in with your email and password. Your account opens the right view (coach or client) automatically.

Create account (from a sign-up link)

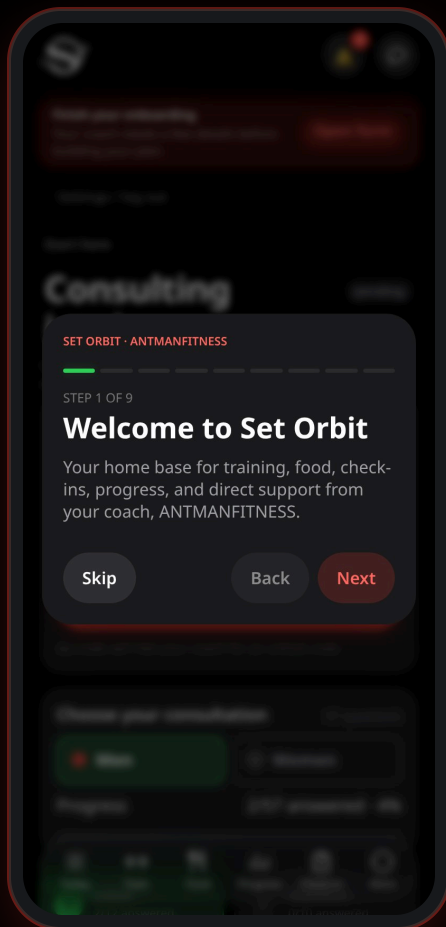

- 1 Open Set Orbit**
Tap your home screen icon or the link in my invite.
- 2 Type your email and password**
Tap Show to double check your password. Leave Remember me on so you stay signed in.
- 3 Tap Sign in**
Set Orbit opens the right screens for you automatically.
- 4 Got a sign-up link instead?**
Enter your name, email and a password, then tap Create account.

PRO TIP Make the password yours. Go to More, then Settings, then Change password.

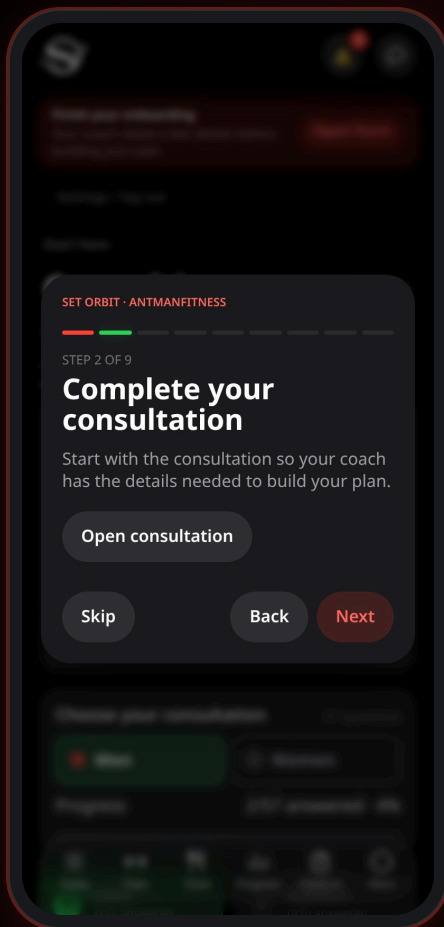

STEP 3 · SET UP

YOUR FIRST-RUN WALKTHROUGH

The first time you sign in, a short starter guide shows you around in 9 quick cards.

Card 1: Welcome to Set Orbit

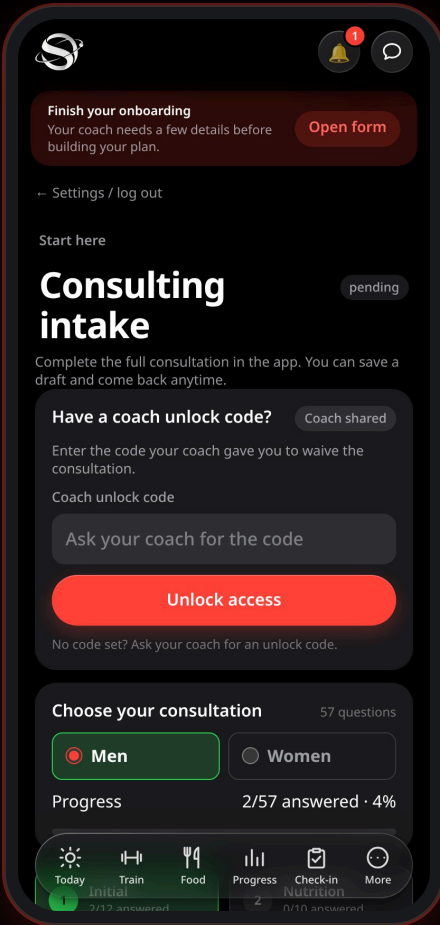

Card 2: Consultation

- 1 **Tap Next to move through it**
Each card covers one part of the app: consultation, agreement, Today, Train, Food, Messages and Settings.
- 2 **Jump straight there**
Buttons like Open consultation take you right to that screen.
- 3 **Back or Skip anytime**
Back shows the last card. Skip closes the tour.
- 4 **Want it again?**
More, then Settings, then Set Orbit help, then Replay starter guide.

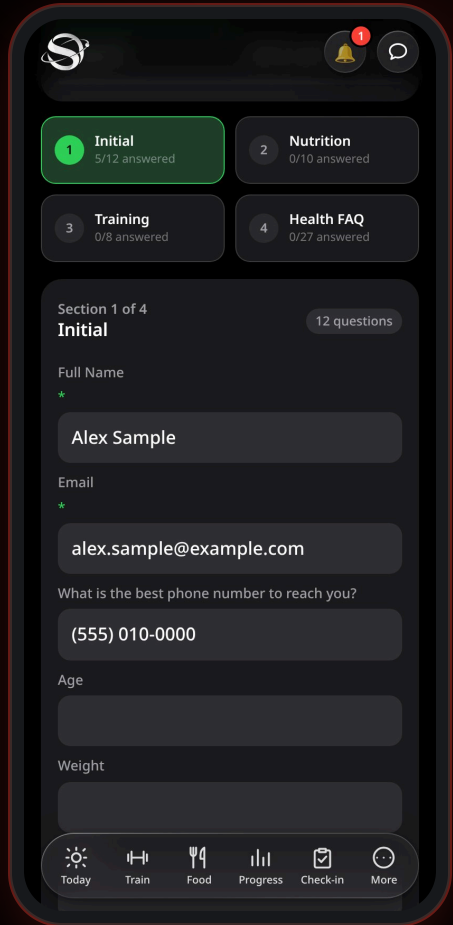

STEP 4 · GET STARTED

FILL OUT YOUR CONSULTATION

This is how I get to know you. Your answers shape your training and meal plan.

Consulting intake

Four short sections

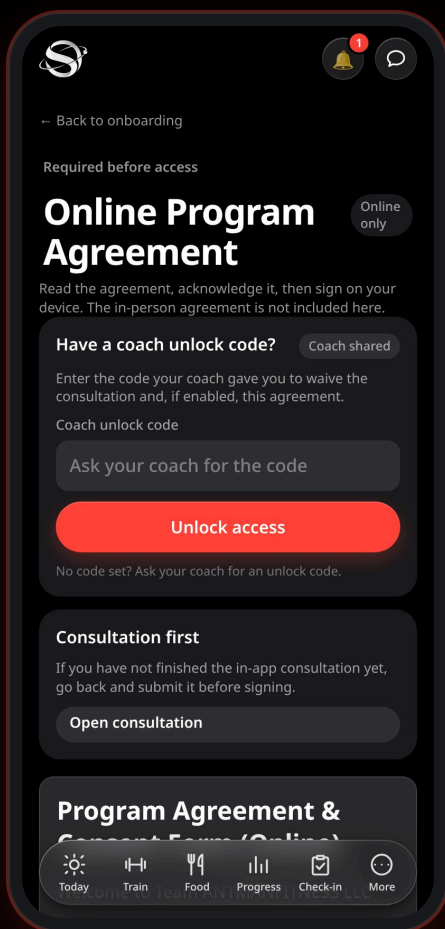

- 1 Tap Open form**
The red “Finish your onboarding” banner takes you there. It’s also in More, then Onboarding.
- 2 Pick Men or Women**
Then work through 4 sections: Initial, Nutrition, Training and Health FAQ. The bar shows your progress.
- 3 Save draft anytime**
Life happens. Your answers stay put until you come back.
- 4 Tap Next section, then Submit consultation**
I’ll get it right away and start building your plan.

GOOD TO KNOW Got an unlock code from me? Type it under “Have a coach unlock code?” and tap Unlock access. No code? No problem, just fill out the form.

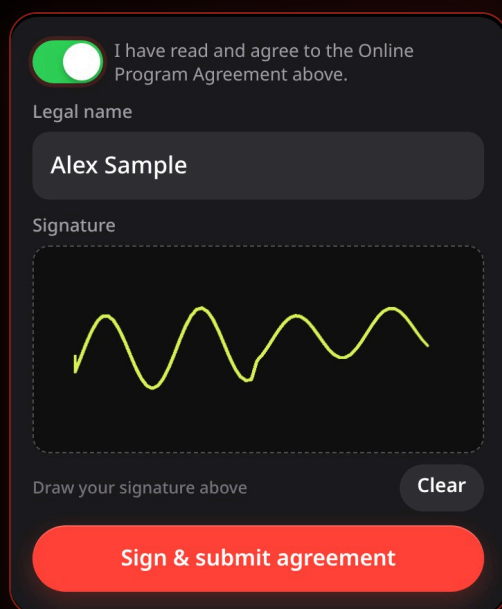

STEP 5 · GET STARTED

SIGN YOUR PROGRAM AGREEMENT

One quick read and a signature. Then all of Set Orbit unlocks.

Online Program Agreement

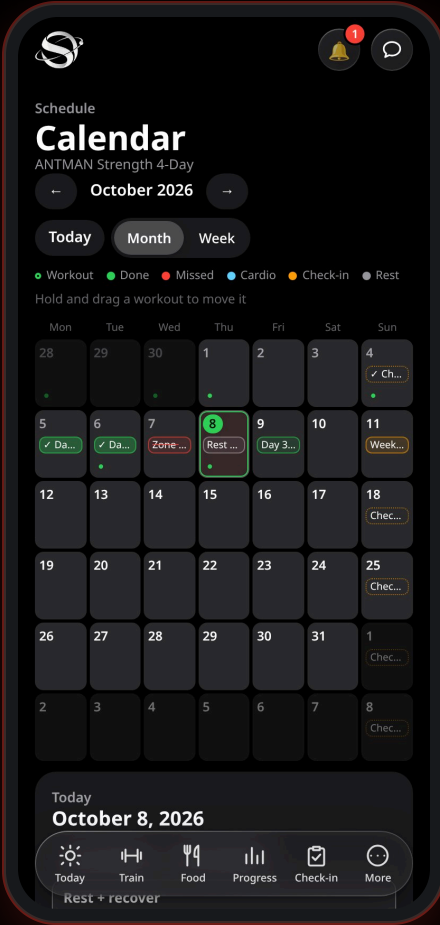

Sign with your finger

- 1 **Read the agreement**
It opens right after your consultation. Scroll through the whole thing.
- 2 **Turn on “I have read and agree”**
Then type your full legal name and draw your signature in the box. Tap Clear to redo it.
- 3 **Tap Sign & submit agreement**
That’s it. Your signed copy is saved.
- 4 **You’re in**
Set Orbit takes you straight to Today.

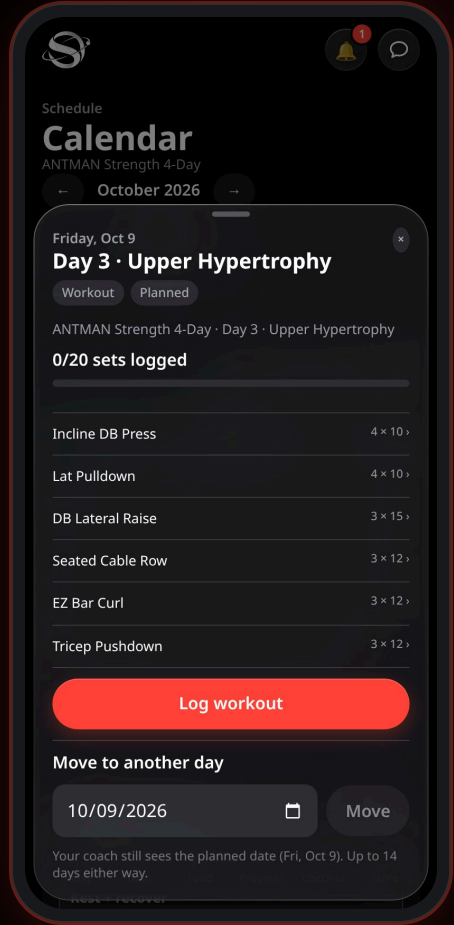

TRAIN

TODAY AND YOUR CALENDAR

See your whole month at a glance. Tap a workout, preview it, start lifting.

Calendar: your month

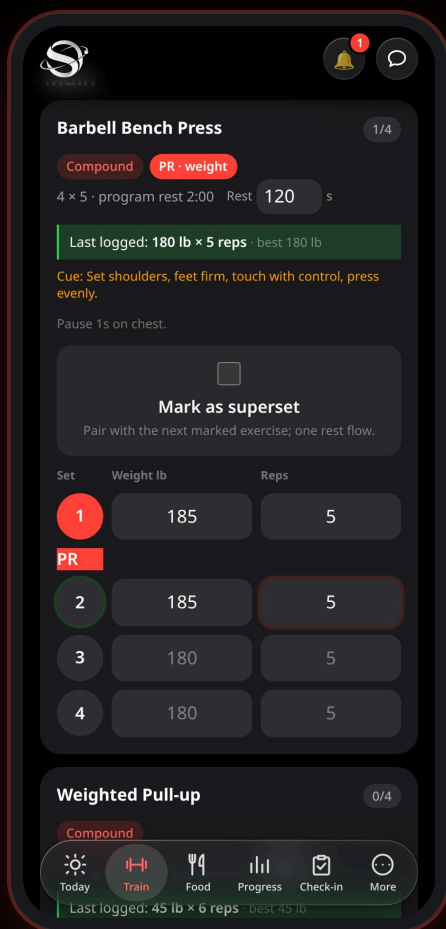

Tap a workout to preview it

- 1 Start on Today**
Today's workout, nutrition, your daily habits and when your check-in is due, all on one screen.
- 2 Tap Calendar →**
It's next to Today's workout. Switch between Month and Week, use the arrows, or tap Today to jump back.
- 3 Tap a workout**
A preview shows every exercise, sets and reps, and how many sets you've logged.
- 4 Tap Log workout**
Train opens on that exact day, ready to go. Busy day? Use Move to another day.

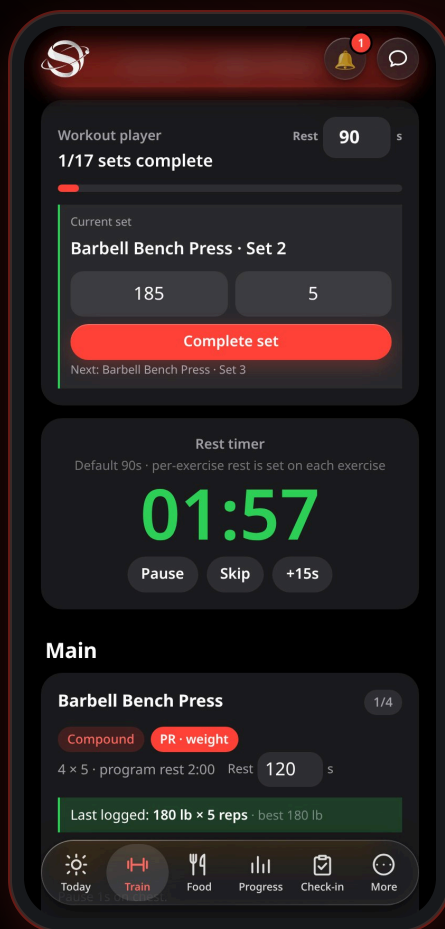

TRAIN

LOG EVERY SET IN SECONDS

Train opens on your workout. Type the weight and reps, tap, done.

Weight and reps for each set

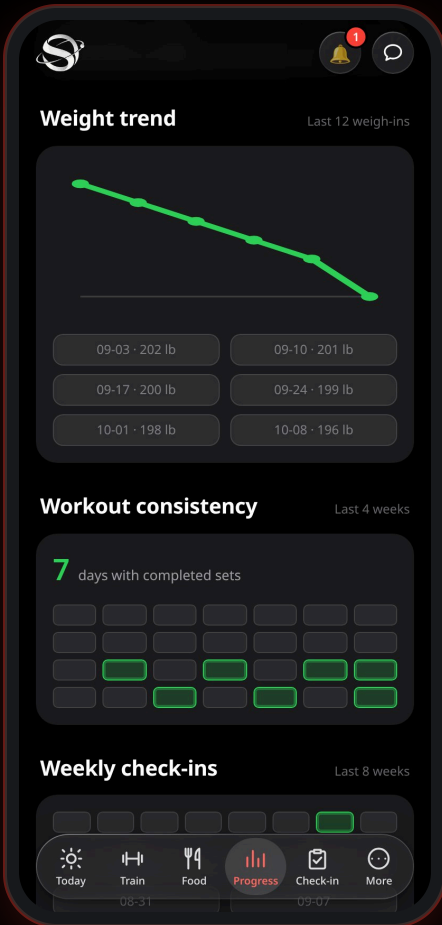

Rest timer starts for you

- Pick your day**
 Use the day buttons (Day 1, Day 2...) or the date at the top.
- Type weight (lb) and reps**
 The grey numbers are what you did last time. Your last log and best weight show on every exercise.
- Tap the set number to complete it**
 Or use Complete set in the Workout player. The rest timer starts on its own: Pause, Skip or +15s.
- Beat your best, see the PR badge**
 A "New personal record!" card pops up. Every set saves to your history and Strength & PRs.

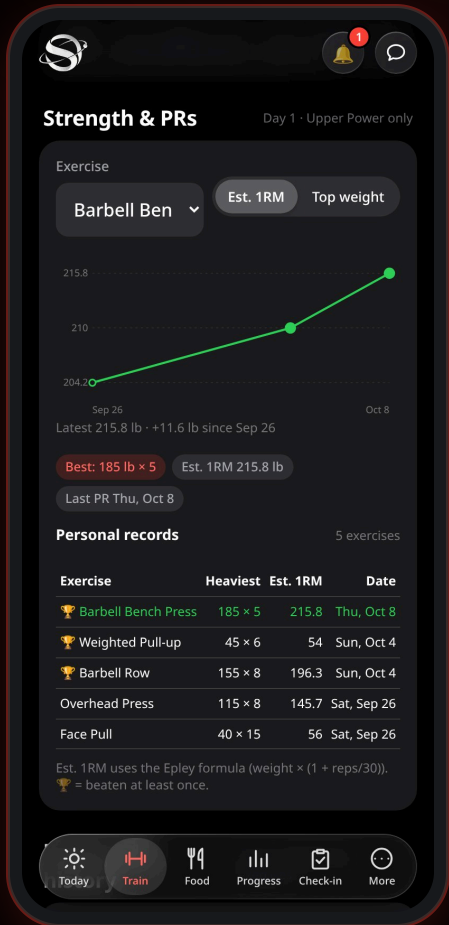

YOUR DATA

WATCH YOUR PROGRESS ADD UP

Everything you log turns into simple graphs you can check anytime.

Progress: weight trend and consistency

Train: Strength & PRs

Weigh-in

In Progress, add your weight and tap Save check-in.

Weight trend

A graph of your last 12 weigh-ins.

Workout consistency

A 4-week strip of your training days.

Strength & PRs

Bottom of Train: charts, best sets and PRs.

Progress photos

Private photos to compare over time.

Badges & streaks

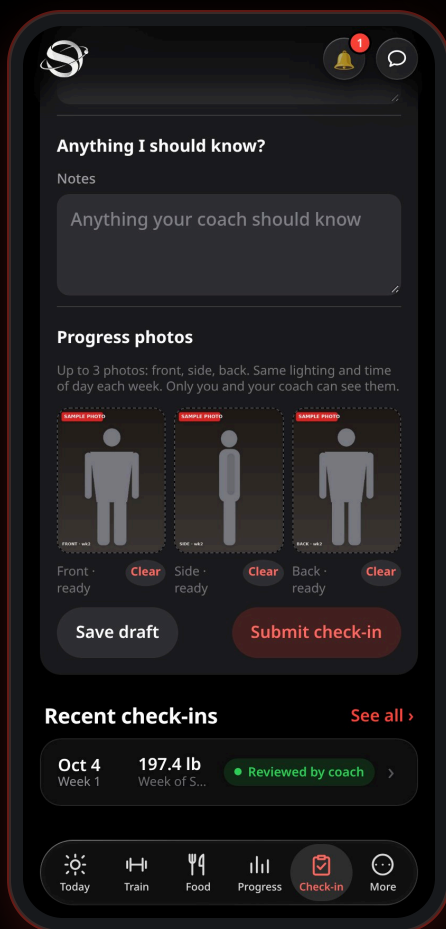

Earn badges for workouts, PRs and logging.

PRO TIP Don't judge one day. Look at the trend line. That's what I look at too.

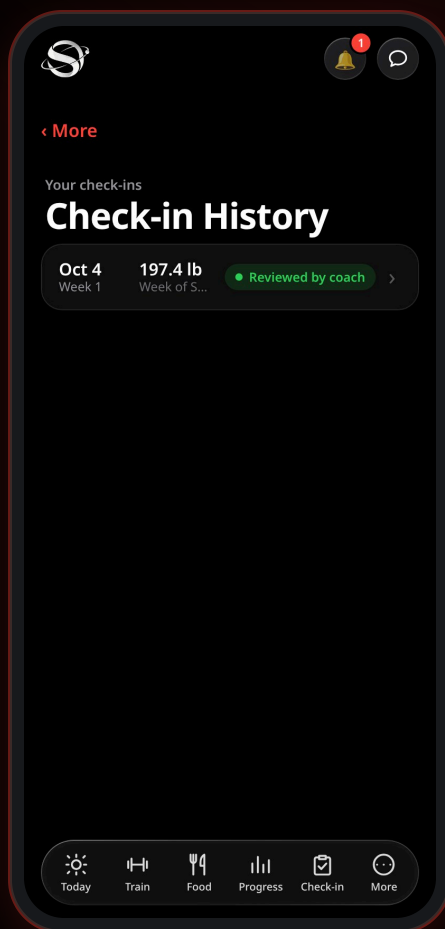

WEEKLY CHECK-IN

YOUR WEEKLY CHECK-IN

About 3 minutes once a week. This is how I adjust your plan.

Add front, side and back photos

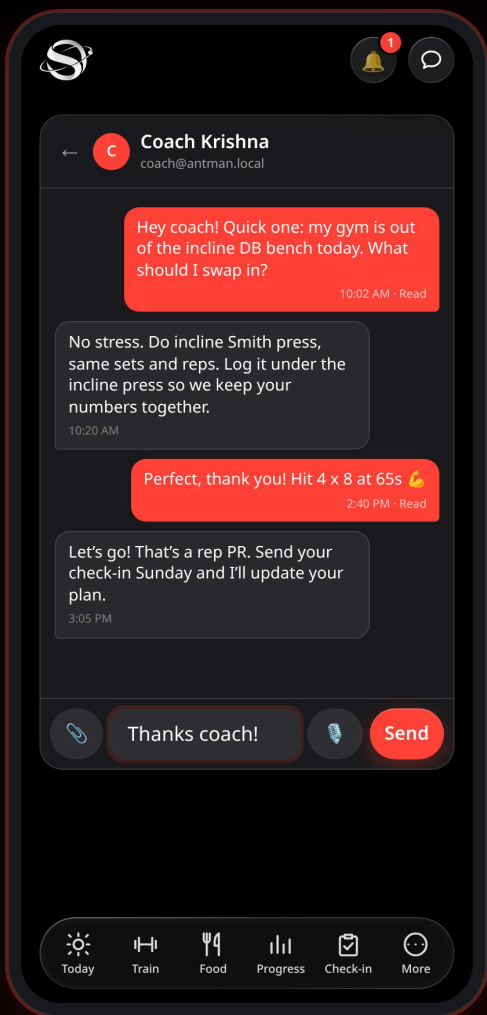

More, then Check-in History

- 1 **Tap Check-in on the bottom bar**
It shows up on your check-in day. Fill in weight, sleep, energy, stress, hunger, training, nutrition, steps and water.
- 2 **Share wins and struggles**
PRs, habits you nailed, what got in the way, questions for me.
- 3 **Add up to 3 photos**
Tap Front, Side and Back. Same lighting and time of day each week. Only you and I can see them.
- 4 **Tap Submit check-in**
Or Save draft and finish later. My feedback shows in Recent check-ins and in Check-in History.

STAY CONNECTED

MESSAGE ME ANYTIME

Questions, swaps, form checks, wins. Your direct line to me lives in the app.

Your private thread with me

- 1 Tap the chat bubble**
Top right of every screen. Your thread with me opens right up.
- 2 Type and tap Send**
Keep it simple: training, food, next steps.
- 3 Tap  to attach**
Send a photo, PDF or document.
- 4 Tap  for a voice note**
Tap again to stop and send it.

GOOD TO KNOW Turn on Message reminders in Settings so you never miss a reply from me.

GREAT THINGS TO MESSAGE ME ABOUT

Exercise swaps

Machine taken or missing?
Ask what to do instead.

Form checks

Send a photo and tell me
what you feel.

Food questions

Eating out, cravings, swaps.

Schedule changes

Travel, busy weeks, missed
days.

Aches and pains

Tell me early so we can
adjust.

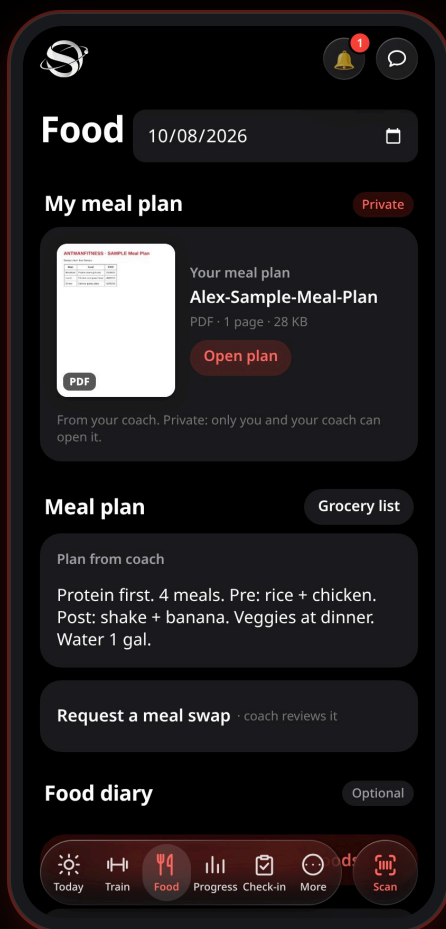

Wins

PRs, new lows on the scale,
good days. I want to hear it.

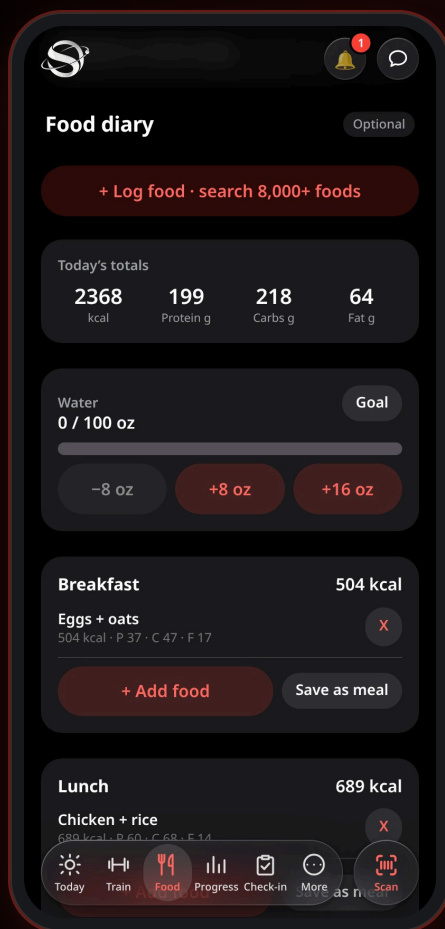

FOOD

YOUR FOOD, MADE SIMPLE

Your meal plan, food diary and recipes in one tab.

My meal plan

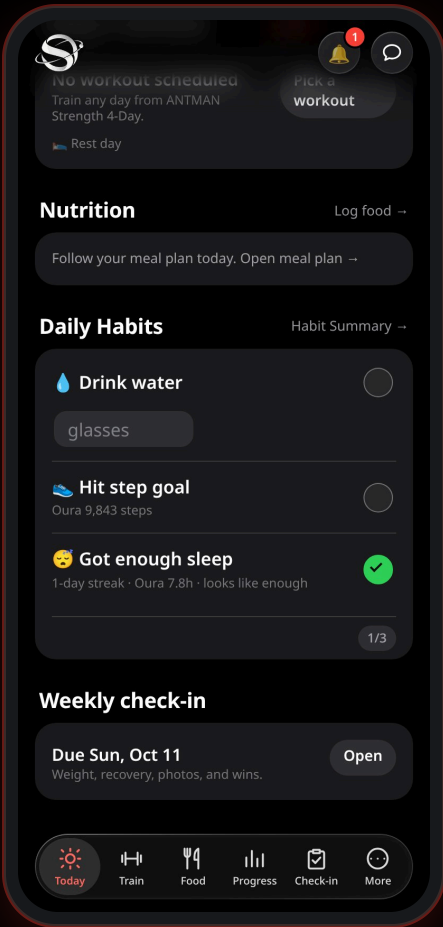

Food diary and daily totals

- 1 My meal plan**
 Tap Open plan to see the plan I made you. It's private to you and me. My notes and your Grocery list sit right below it.
- 2 Food diary**
 Tap Log food to search 8,000+ foods, tap the water buttons, and watch Today's totals add up.
- 3 ANTMAN recipes**
 Search the free recipe library and tap View for the full recipe and macros.
- 4 Need a swap?**
 Tap Request a meal swap and I'll review it. What you see depends on the plan I set up for you.

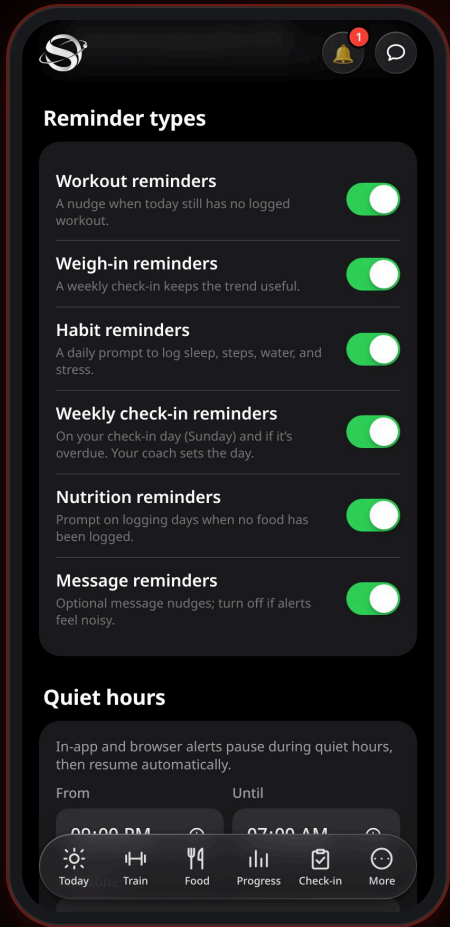

STAY ON TRACK

DAILY HABITS AND REMINDERS

Small signals, better coaching. And friendly nudges so nothing slips.

Today: your daily habits

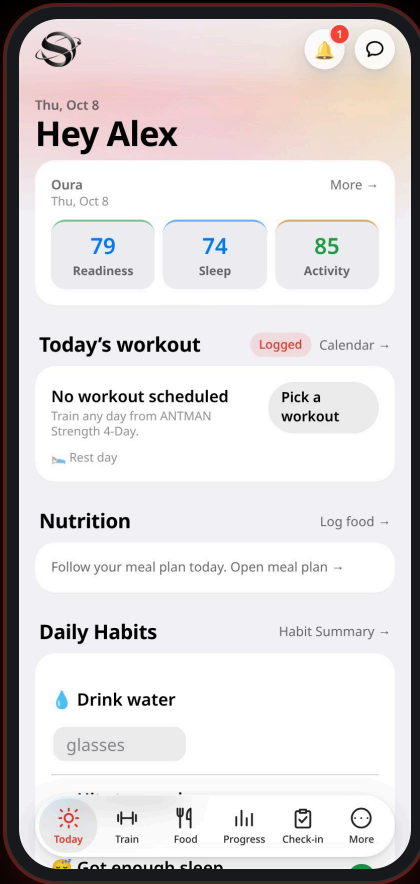

Settings: pick your reminders

- 1 Tick your daily habits**
 They're on Today. Tap the circle when you hit one. Habit Summary → shows your trends.
- 2 Choose your reminders**
 In Settings, turn on workout, weigh-in, habit, weekly check-in, nutrition and message reminders.
- 3 Set quiet hours**
 Pick From and Until times and reminders pause overnight.
- 4 Turn on lock-screen alerts**
 Tap Enable device notifications. The bell 🛎 up top keeps your in-app reminders.

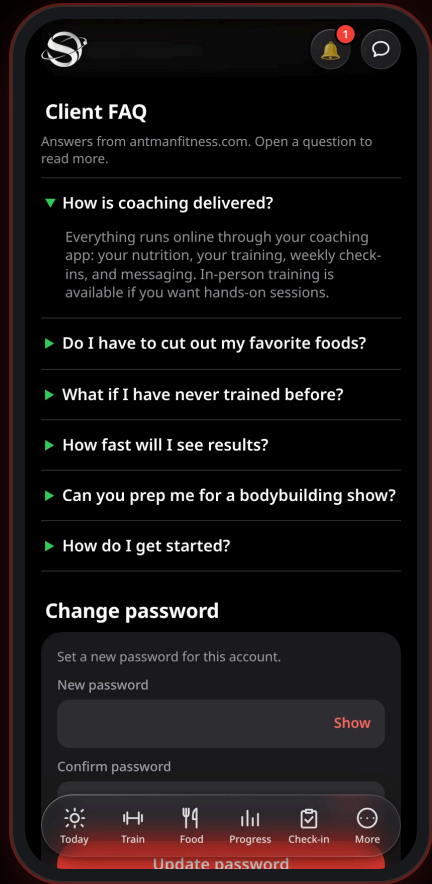

SETTINGS

LIGHT OR DARK, FAQ AND MORE

Make it yours. Find quick answers. Everything is in More, then Settings.

Light mode

Client FAQ

Appearance

Glass is the default look. Arena is the previous look; switch back any time. Dark or light works with both.

- ☒ **Glass**
iOS style
- ☐ **Arena**
Classic Antman
- ☒ **Dark**
Black glass
- ☐ **Light**
Frosted white

Appearance: look, then Dark or Light

- Pick your look**
Glass is the default. Then choose Dark (black glass) or Light (frosted white). Arena is the classic look.
- Open the Client FAQ**
Tap a question to read the answer.
- Set Orbit help**
Replay starter guide or download this guide again.

HELP

WHERE TO GET HELP

1

Message me in the app

Fastest way to reach me. Tap the chat bubble, top right.

2

Check the FAQ

More, then Settings, then Client FAQ.

3

YOUR WEEKLY CHECKLIST

- ✓ Open Train before every workout
- ✓ Follow your meal plan and food targets
- ✓ Submit your weekly check-in with photos
- ✓ Log every working set (weight and reps)
- ✓ Tick your daily habits on Today
- ✓ Message me with questions, swaps and wins

Open Set Orbit

Scan with your phone camera anytime you need the link again.

antmanfitness.github.io/antman-coaching-web

THE MAIN RULE

YOU'RE READY.

Follow the plan. Log the work. Leave feedback. Stay consistent. The more you log, the better I can coach you.

LET'S GET TO WORK. COACH KRISHNA
